

Meeting Point Turkey Statement

Meeting Point Turkey is fully committed to a sustainable future and strives to enhance the well-being of the community in which we operate by focusing on the environmental, social, and economic aspects.

Our primary objective is to minimize the adverse effects of tourism by offering socially and environmentally conscious products to our valued guests, while actively engaging and involving our communities.

We are determined to develop sustainable solutions that are indispensable for ensuring a superior, safer, and healthier vacation experience for our clients, as well as for the well-being of our employees and stakeholders throughout our supply chain.

Our unwavering dedication to safety, genuine concern and care for people, environmental preservation, and personal and corporate integrity propel us toward a sustainable future.

OUR MISSION

Creating journeys to remember.

Our mission is to support a sustainable society and sustainable trade by supporting all stakeholders toward greater sustainability awareness. We aim to do this by minimizing and mitigating negative impacts on the natural environment and by being an active contributor to our local community and society at large.

On this website we will publish all MP Turkey's news and developments on sustainability
