

## Meeting Point Turkey Statement

Meeting Point Turkey is fully committed to a sustainable future and is dedicated to enhancing the well-being of the communities where we operate, both socially and economically. We prioritize environmental, social, and economic improvements within the tourism industry, striving to minimize the negative impact of tourism. By offering socially and environmentally responsible products to our guests and actively involving our communities, we aim to create sustainable solutions that contribute to a better, safer, and healthier vacation experience for our clients. Moreover, we recognize the importance of the well-being of our employees and stakeholders throughout our supply chain. Our unwavering adherence to our core values of prioritizing safety, demonstrating care and concern for people, protecting the environment, and upholding personal and corporate integrity serves as our compass in shaping a sustainable future.
